To Parents & Students,

We would like to introduce local students to a sport which they may participate in during their adult life! The YMCA is sponsoring a bowling program at Valley Bowling Lanes in Childs. The program will be purely recreational and voluntary and will bowl at Valley Bowling Lanes in Carbondale on Saturday mornings during the fall and winter. The club will run approximately 30 weeks.

The cost of the program will include bowling, use of bowling shoes and ball each week. Trophies and/or medals will be awarded to ALL Youth Bowlers in Bumper and 3rd -6th grade program. At the 7th-12th grade level, the Championship and Runner-up teams will receive trophies in addition to High Average, High Series and High Game individual awards at the end of the season. ALL BOWLERS WILL RECEIVE A VALLEY BOWLING LANES SHIRT! These awards are ALL INCLUDED in the cost!

ALL BOWLERS in our youth programs will join the USBC (United States Bowling Congress with a one time membership fee. The perks your child will receive as a USBC "sanctioned" bowler are listed under each bowling program divided by age levels. Bowlers will receive a membership card, have a USBC recognized average, ability to participate in USBC certified tournaments and will be given league awards based on their achievements throughout the season.
